Onyx and ArtSystems take to the skies

ArtSystems, in partnership with U.S. based Onyx Graphics, organised an exciting corporate trip to Las Vegas as part of a sales promotion for their Onyx RIP Authorised Reseller Partners.

Individuals from 6 UK reseller companies joined ArtSystems staff Graham De Kock, Graphics Product Specialist and Kirsty Oldershaw, Senior Account Manager, for the long weekend visit.

Andersons, Repopoint, Colyer Graphics, Genix, John E Wright and City & West End Solutions joined ArtSystems and Onyx on a trip that combined meetings, presentations, excursions and a little bit of gambling!

The entertainment included a tour of the Grand Canyon by air, a day out riding All Terrain Vehicles through the desert and the team also took in dinner and one of the fabulous shows Las Vegas is renowned for at the Treasure Island Hotel on the strip.

Dennis Ransom from John E Wright's said, "The whole trip was fantastic and everything went so smoothly from day to day. We were really taken care of by both Onyx and ArtSystems."

Oliver Gosden at Repopoint also praised the trip saying "I feel I speak for the whole group when I say the air tour of the Grand Canyon was undoubtedly the highlight of the trip and a big thanks to ArtSystems and Onyx for providing us with this experience."

Aside from the entertainment value, the trip was an excellent opportunity to meet individuals from Onyx and hear about their future developments. The trip took place from 10th to 14th March 2004.
