

## **PRESS RELEASE**

### **Indoor Speciality media from Xativa**

Xativa has added to their already comprehensive media range three new indoor speciality medias aimed at the digital art market, and they are now available from UK trade only distributor ArtSystems.

These high quality fine art materials are available in Ultra Smooth, Soft and Rough textured and finishes and are available in cut sheet A4 to A2 size (50 sheets) and roll media 36inch to 60inch size (15 metres).

Designed for use with both Thermo or Peizo machines the media is suitable for use with either Pigment or Dye based inks. Being part of the Xativa brand, it is also very competitively priced.

Paul Tarry of ArtSystems says: The new fine art papers expand our portfolio of specialist media and offer an artist the ability to express creativity and beauty in digital print.

For further enquiries regarding the Xativa range please call ArtSystems on 0870 224 3612.
